

March 2025

PVJ POWER NEWSLETTER

Keeping up the our growth trajectory, PVJ Power Solutions has now been converted to a Private Limited entity.

Keeping up with Modern Industry Manufacturing practices we have added a Fully Automated Foil Winding Machine to add to our manufacturing capability & speed of execution.

100 MVA

PVJ Power exceed the milestone of Total Production Output of 100 MVA in the month of March 2025.

Amazon India places an order of 800 kVA Transformer to us, for their upcoming New Gen Warehousing Facility near Bengaluru.

PVJ Power supplies 1250 kVA Transformer to newly inaugurated 5 star Hyatt Hotel in Kanpur, UP. This adds to our 5 star clients like Taj Hotels, Radisson, ITC, Ramada, Wyndham & many more.

PVJ Power complete the supply of 5 MVA x 4 nos. & 4.5 MVA x 2 nos. Power Transformers for the construction of Bandra Bullet Train Station in Mumbai.
